| Directorate: | Planning and Design | Department: | Infrastructure Planning |
| Position Grade: | Grade 10 | Reports to: | Coordinator City Design and Public Domain |
| Last review: | June 2026 | Next review: | June 2028 |
| | | Version No.: | 4.2 |

Position purpose:

Collaborating with the whole team, the position will work on the production and delivery of urban design projects and public domain improvements across the Liverpool Local Government Area.

Key accountabilities/responsibilities:

Responsible for:

- 1) Contributing to design discussions within the Infrastructure Planning team, contributing to design critique sessions and collaborating across Council on design outcomes
- 2) Supporting the Urban Designers, Senior Urban Designers and Coordinator City Design and Public Domain on the design of Liverpool
- 3) AutoCAD drafting for the production of plans, sections and details for various design projects
- 4) Rendering of graphic presentation plans, sections and details
- 5) Producing analysis diagrams, sections and design details for various urban design projects.
- 6) Desktop publishing of report and presentation material for a variety of audiences including the community, Councillors and Council staff
- 7) Contributing to the preparation of grant submissions for the Infrastructure Planning team and Council
- 8) Carrying out other duties as reasonably required by the Coordinator City Design and Public Domain and/or Manager Infrastructure Planning

Decisions made in the position:

- 1) This position will have no delegation authority

Decisions referred:

All other decisions

Key issues/challenges:

- 1) Ensuring graphic material is as simple as possible and can be digested by a variety of audiences.
- 2) Balancing competing demands of internal and external factors that influence urban design and public domain outcomes, focussed on improved active transport, landscape design and high quality streets and public places.
- 3) Achieving organisational acceptance and supporting a culture that embraces innovation, continuous improvement and excellent customer experience.
- 4) Advice, reporting and results that meet agreed requirements and deadlines in the context of rapid city growth.
